DEPARTMENT OF CHEMICAL ENGINEERING
DEENBANDHU CHHOTU RAM UNIVERSITY OF SCIENCE &
TECHNOLOGY, MURTHAL, SONEPAT (HARYANA)-131039

THEME & OBJECTIVE

The short term course "Recent advances in energy sources and environment protection" comprises of several methodologies that embraces various current energy and environmental issues in detail. This short term course is an integration of scientific, technical, managerial and entrepreneurial concepts in the energy sources and environment protection. The objective of the course is to update the knowledge and skills of the technical teachers and process engineers in the current issues related to the areas of energy and environment.

This course will provide a platform for sharing and investigating the state-of-the-art for major aspects of energy and environment concerns. This course will be quite beneficial for researchers and professional engineers who are engaged in developing and applying various recent techniques for fulfilling energy demands and mitigating the environmental problems.

THRUST AREAS (Suggested List):

Topics of interest include, but are not limited to, the following:

- Recent Trends in Renewable Energy System
- Recent Advances in pollution prevention
- Sustainable Technologies for energy in Process Industries
- Sustainable Technologies for clean environment
- Disaster Management

DEPARTMENT OF CHEMICAL ENGINEERING

DEENBANDHU CHHOTU RAM
UNIVERSITY OF SCIENCE & TECHNOLOGY, MURTHAL,
SONEPAT (HARYANA)-131039

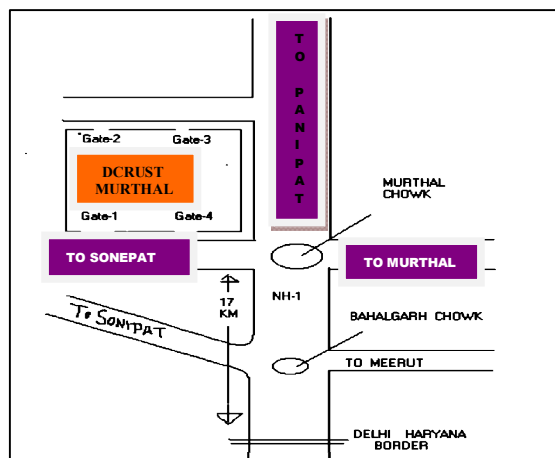

ABOUT THE DEPARTMENT

Department of Chemical Engineering was established in 1991 with a vision to produce world class chemical engineers. The Department functions under the **Faculty of Non-Conventional Sources of Energy and Environment Science**. **Prof. D. P. Tiwari** is currently the Chairperson of the Department and Dean of the Faculty of Non-Conventional Sources of Energy and Environment Science.

IMPORTANT DATES

Receipt of Registration Forms (By Post or E-Mail)	27.01.17
Intimation to Selected Candidates	31.01.17
Confirmation from participants (By Mail)	02.02.17

ROAD MAP

ABOUT THE UNIVERSITY

Deenbandhu Chhotu Ram University of Science and Technology (erstwhile C. R. State College of Engineering) was established through an Act of Haryana State Legislature on 6th November, 2006 to facilitate and promote studies and research in emerging areas of higher education with focus on new frontiers of Science, Engineering, Technology, Architecture and Management studies. The University is recognized under 12 (B) of the UGC Act, 1956. The University has been accorded Affiliating Status by Act of Haryana State Legislature on 3rd August, 2011. The University provides an outstanding learning environment for multifaceted development of students, thus emerging as a centre of excellence. The University is spread over 273 acres and has a fully residential campus with ample built up space in a contemporary architectural idiom. It has 16 teaching departments under 6 different Faculties. In addition to research facilities leading to enrollment of 181 research scholars, the University is presently running 19 Postgraduate, 9 Undergraduate & 2 integrated programmes on regular basis and 3 Postgraduate and 5 Undergraduate programmes in part-time mode in Engineering, Science, Architecture and Management with an annual intake of about 1750 students. Six Undergraduate programmes are accredited by NBA & others are in process. The University has highly qualified faculty, well equipped library, computer centre with high speed internet facility, faculty rooms, classrooms, & substantial sports facilities, etc. The University is funded under TEQIP of MHRD of Government of India being funded by the World Bank. Various departments have successfully undertaken many UGC/AICTE/DST/DBT sponsored projects. The University is known in the region not only for students with technical, analytical and soft skills but also for its strong placement statistics.

LOCATION

The University is located on the National Highway No.1 (G.T. Road), 50 Kms. from ISBT, New Delhi

towards Panipat and about 8 Kms. from Sonapat railway station on Sonapat-Murthal link road. The institute falls within one of the growing commercial & industrial belts of Haryana.

PARTICIPANTS:

People from industry, faculty and research scholars of universities, colleges & polytechnics are eligible to participate in this short term course. Estimated strength of participants will be 40.

NOTE: No fees will be charged for attending the workshop.
